Vectair Airoma™ 3000 Premium Fragrances

Take fragrances to new levels...

Over the past year, Vectair Systems Inc has collaborated with industry partners to formulate a new line of "XTREME" 3000 metered refills. The XTREME range of metered aerosols contains a higher and more effective blend of fragrance oils. Set yourself apart from the competition and provide your customers with Extreme results and Extreme satisfaction.

Features and benefits

- * 3000 metered sprays – 12 refills per case
- * Premium bursts of fragrance with higher levels of longevity*
- * V.O.C compliant in all states
- * Fits competitive dispensers
- * Exclusive formulations
- * 2 piece actuator ensures optimum fragrance dispersal
- * Effective in room sizes up to 6000 cu. Ft

Green Téa part # AERO-27X

An **Xtremely** fresh, soothing blend of organic fragrances, with hints of chestnut and light orchids and a touch of parsley and verberna.

Mango Téa part # AERO-25X

An **Xtremely** juicy mango readily apparent, with a slight, tingling sourness in a blend of ceylon black tea fragrances.

Lemon Peel part # AERO-24X

An **Xtremely** crisp, fresh-cut lemon fragrance with the natural, invigorating out-door freshness in the power of lemon.

Cucumber Crush part # AERO-26X

An **Xtremely** sweet, clean and brisk crush of cucumber. Smooth and supple...just a pleasant ambiance of freshness.

For use in the Vectair Airoma™ fragrance dispenser**
